# President Report

Written by Rick Smith

Firstly I want to acknowledge our deepest sympathies with the families and friends of the Canadians, but in fact all passengers of the civilian aircraft that was unintentionally shot down by the Iranian military. Recent events are quite frightening and we can only hope that tensions in the middle east can be de-escalated and further events can be eliminated.

Back in 1989 following my first experience as president of MOCA, I was invited by then Alderman Al Duerr to participate in a Task Force where the purpose was to look ahead 30 years and create a vision of what the City of Calgary might look like by the year 2020. The official name of the document is Calgary 2020 but I recall that it was also referred to as Vision 2020. Members of the task Force were from a variety of different backgrounds and input was sought from many local organizations including some community associations and school students from all levels. In fact over 300 Calgarians participated in creating a picture for the "desired state for the future". The population then was about 700,000. as I recall which is about half of what it is today. The Task Force developed several Guideposts explaining that "many decisions will have to be made along the 30 year route ahead to achieve the description of what is written in the pages." The following is a very brief outline of the vision that Task Force predicted for the future Calgary in the year 2020

1. Calgary's rich heritage and resourceful people have produced a healthy, diverse economy.
2. Our strong economic foundation has allowed us to invest wisely in our future.
3. We are proud that we have become a diverse city of choices and options for all.
4. Calgarians participate in decisions about our future.
5. Our Governments are an extension of ourselves and our communities. Citizenship and community involvement are assumed in Calgary.
6. Calgarians are community-minded volunteers.
7. Calgary is a city of many ethnic origins.
8. Calgary is proud to be a safe and secure city for all. Any abuse is simply unacceptable.

Finally - Calgarians will define the job ahead. Calgary 2020 is a challenge to the community. It will be met through cooperation and community leadership, but with hard work and widespread commitment, Calgary will continue to prosper as a modern and exciting city that never forgets its historical roots, people, and environment.

Continue on next page...

**PRESIDENT'S REPORT- CONTINUED FROM PAGE 2**

Remember: these statements were made 30 years ago. Visions, priorities and councils change. Obviously there is a lot more detail within the document, but I will let you reflect on the visionary accuracy of the 1989 Task Force Members.

We keep hearing of delays with the progress of the Green Line Project - delays that are prompted by Provincial and Federal Government funding being temporarily held back, and by the lack of certainty of the alignment through the downtown and other areas. However there are many preliminary projects that must be done in advance of the actual Green Line construction. Being an older district, many of those preliminary projects must happen within our community including underground utility work, the 78th Avenue underpass, and others. There is also still some uncertainty as to whether the future LRT alignment along Ogden Road near Pop Davies Park should be located along the east side or west of Ogden Road. There are advantages and disadvantages of both. Anyway, despite the fact that there have been several delays is completing some of the preliminary projects that are needed within the Ogden district, we are now told that we can expect some of that work to occur this coming year, but which projects, and their anticipated timelines are not known at this time.

Our local police are suggesting that we all start a "9 pm Routine". This would be to set a time each evening to remove all valuables from vehicles, ensure that all doors are locked, and basically that we take personal responsibility to protect our own property from theft or other damage. Many crimes are crimes of opportunity which would include leaving vehicles running and unattended when being warmed up or when you simply run into a store. There is no need to tempt the bad guys, and it is really your own responsibility to protect your stuff.

And as mentioned, it is also your responsibility to clear the snow and ice on the sidewalks in front of or beside your place of residence. The City Bylaw applies whether you own or rent. And again, those living on a snow route may have to find an alternative place to park for a couple of days should the City declare a parking ban in the event of a major snow fall. It is rare and it is inconvenient, but the parking ticket might not be any fun either.

Please remember that public skating is offered at Jack Setters Arena on a regular basis each week. For more specifics about skating times please call the arena office at 403-236-3727 or the MOCA Admin Office, or check the full arena schedule at the MOCA website

www.millicanogdencommunity.com. But if you are interested in outdoor skating, you might want to consider Carburn Park in Riverbend. They have a fire pit there as well which might add to your experience.

And please remember to consider the local Southeast Calgary Community Resource Centre for any donations of clothing, non-perishable food items, or small appliances. Certainly there are many very good agencies in the City who provide support to the homeless and low income, but there are also many local families who could make use of these items as well. Our own Community Resource Centre is a valuable resource to many local families. The SECCRC has been operating in our community for well over 20 years and they do a wonderful job providing programs and services to low income individuals and families.

And finally, by popular demand we are bringing back Dueling Pianos on Saturday February 29, 2020. This is an evening of fun and laughter with a couple of fellows who seem to have an endless repertoire of tunes, and the evening is spent with them playing the many requests from the audience. Tickets are only \$ 25 and are available at the MOCA office. It was a lot of fun last year and I am sure that this upcoming event will be equally as good.

And of course, if you are planning a social event, ie, for your family, your business, or an organization, please give some thought to renting the MOCA Hall, - main hall upper floor, or lower level room. We would appreciate your business.

As always, if you have questions or concerns that you would like to direct to me, please either call into the MOCA office, or send me an e-mail at [president@millicanogdencommunity.com](mailto:president@millicanogdencommunity.com).

**Best wishes**

Rick Smith  
MOCA President

**CHECKLIST**

- REMOVE VALUABLES & GARAGE DOOR OPENER FROM VEHICLES
- LOCK VEHICLES

**Winter is fun, but make sure you stay safe!**

Every year 25-30 Canadians die in ice-related incidents, and countless others fall through ice, often having a close brush with death!

Here are some helpful tips to help you stay safe:

- Always stay a safe distance back from riverbanks and lakeshores to avoid accidentally falling through the ice.
- Don't walk on ice-covered bodies of water, including storm ponds. It's difficult to assess the thickness of the ice and whether it can hold the weight of a person or animal.
- If a person or an animal falls through the ice into water, call 9-1-1. Don't try to rescue them yourself. Encourage them to kick, pull themselves up onto the ice and roll, rather than walk, towards the shore.
- When skating outdoors, only skate on open ice surfaces specifically designated for skating like **City of Calgary or community rinks**.

If you fall through the ice:

- Stay calm, try to keep your head out of the water and control your breathing.
- Try to pull yourself up onto the ice and onto your stomach then, roll towards the shore, where the ice may be thicker.
- If you can't get out of the water in less than 10 minutes, stop kicking and trying to pull yourself out, and anchor yourself to the ice shelf. Continue to call for help.

If you witness a person falling through the ice stay back, do not go onto the ice. Call 9-1-1.

For more ice safety information, visit:

<https://www.calgary.ca/CSPS/Fire/Pages/Safety-tips/Ice-safety.aspx>

**Winter Family Festival - Free**

Embrace the winter and come out and play with your family. Live DJ, fire pits, snow shoe rentals and much more creative activities will ensure to keep all members of the family outdoors and active this Family Day weekend.

Sunday, February 16, 1:00 p.m. - 3:00 p.m. **South Glenmore Park**, 8415 24 St. S.W.

**Family Day at the Library**

Looking for a fun, free, family-friendly place to spend Family Day? Head to the Library! All locations are open from 12 pm to 5 pm on February 17. Rocky Ridge Library, our self-service location, is open from 7 am to 8:30 pm. Come have fun at an Early Learning Centre, find a great new read, or borrow a board game.

Visit [calgarylibrary.ca](http://calgarylibrary.ca) for more details.

**Free Card, Free Programs**

Did you know that your free Library card gives you access to more than just books? You can sign up for hundreds of free programs, classes, and presentations when you're a Library member. There's something for everyone, including STREAM programs for kids, gaming clubs for teens, book discussion groups for adults, and classes designed specifically for seniors and newcomers. There's so much to learn, and it's all free with your Library card. Registration for March and April programs begins on February 10.

Visit [calgarylibrary.ca/programs](http://calgarylibrary.ca/programs) to sign up.

**Exercise Your Freedom to Read**

At the Library, we believe in and support your right to intellectual freedom. Celebrate it with us from February 23 to 29 during Freedom to Read Week. Explore our exhibit on Banned Books in the TD Great Reading Room at Central Library, sign out one of your favourite controversial classics with your free Library card, or check out recommended reads from our librarians at [calgarylibrary.ca](http://calgarylibrary.ca)

**Get Ahead in Your Career**

Whether you're looking for a job or changing career paths, let the Library help. Our Arthur J.E. Child Careers & Small Business programs cover topics like interview skills, resumé development, mid-life career changes, and more. Get one-on-one career coaching or drop-in to the job desk for employment advice. Learn about all our career resources at [calgarylibrary.ca/connect/careers-small-business/](http://calgarylibrary.ca/connect/careers-small-business/)

**Community Policing**

A message from the Federation of Calgary Communities

Community policing is, quite simply, police officers and Calgarians working in partnership, to prevent crime, and to find long-lasting solutions to the problems that threaten public safety.

This innovative approach to policing focuses on fostering positive relationships, engaging the community, and maintaining an open dialogue between the police and members of the community.

The reality is that police officers cannot be everywhere all the time. **It is very important for Calgarians to let police know of about suspicious or criminal activities going on in their neighbourhoods.** This information allows for the allocation of appropriate resources to investigations and crime prevention strategies.

The Calgary Police Service works with Calgarians to learn about community priorities, the needs of crime victims, and how to best serve our city.

Calgarians are encouraged to maintain positive relationships with their neighbours, local school officials and community organizations in order to have a better understanding of the dynamics in the community. This will allow for everyone to note when something is amiss, and to work together to keep communities safe.

**It is important to call 911 to report a crime in progress. Call (403) 266-1234 to report suspicious individuals/vehicles, and crimes in your neighbourhood.**

Some property crimes can be reported online at [www.calgarypolice.ca](http://www.calgarypolice.ca). The Calgary Police Service also has a Crime Mapping feature online that will educate Calgarians about the types of crimes that have been reported in various communities.
