8.	Question & Answer Period: President, John MacDonald (20 minutes)
9.	Motion to adjourn

PRESIDENT REPORT

Well what a summer it was, you'll have likely all noticed I've been quiet as of late and there's good reason for that, I'm a firm believer of when there is nothing to say, say nothing. Well the time for that has passed as the last week or so has been very busy on almost all of the fronts we are usually tracking.

I would be remiss if I didn't start this month's report with an in memorial statement for our beloved late Queen, Her Majesty Queen Elizabeth II following her 70 year reign as our Monarch and Head of State, she is the only monarch many of us have known, in fact I would say there are very few Canadians alive who remember her father and uncle as Kings. I have a very specific memory of Her Majesty, when as a young Artillery Officer I accompanied our Colonel Commandant on his visit to Her Majesty, who was at the time our Captain General. I will always have fond memories of that day, but alas we move on, and in true commonwealth tradition, The Queen is dead, long live the King.

Speaking of tracks as I sit here writing this report I was juts advised by the Greenline Team that they have reached the milestone of issuing a Request for Proposal from the two shortlisted project teams. What does that mean for those of us in Millican-Ogden, not a whole for the next year, we continue to be promised enabling works, and aside from the utility realignment from the East to the West side of Ogden Road we haven't seen a whole lot, so stand by to standby on Greenline.

As many of you know, our Annual General Meeting is rapidly approaching, what that means for us is that we will not have or normal monthly meeting on the first Tuesday of October, we will postpone and hold our AGM in it's place. We have a number of positions that remain open on the board for any interested parties. For those interested in joining the board, please reach out to me directly. Also, only those who have a membership a full 30 days prior to elections are eligible.

George Moss Park Revitalization Project

An exciting proposal is coming to the community of Millican-Ogden. Youth Centres of Calgary is working with Parks Foundation Calgary to propose the development of an area within George Moss Park that will provide year-round amenities for the whole community. The preliminary design concept includes multi-use sports courts, gathering spaces with seating, improved ice-skating areas and an art feature. With feedback and input from the community, construction could take place as early as summer 2023. Look further and on the website for the current version of the proposed project. Expect the Parks Foundation to be reaching out in the short term to gather feedback. I am promised they are committed to true community engagement.

FRESHCO

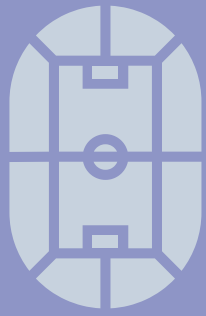

I know we are all saddened by the loss of Safeway, many of us remember when it was over on Crestwood Road, but again the only thing constant is change, and there are big changes coming with the new discount grocery store scheduled to open later this month.

National Day for Truth and Reconciliation

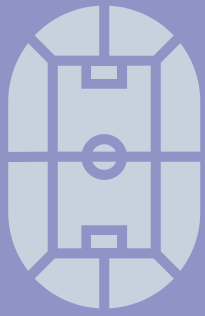

We encourage everyone to take some time on September 30th to reflect on the plight of our FMNI neighbors this is a very key time in our national discourse.

In closing, and with the upcoming Thanksgiving Day holiday on October 10th, let us take this time to let our family and friends know our appreciation for them.

76 Avenue SE**

Hours of Operation:
Monday - Friday
8:00-4:00PM
(Closed) 12:00-1:00PM
403-720-3322

Mission Statement

To provide information, education, referrals, and advocacy with kindness and care.

Community Tool Lending Shed

The Community Tool Lending shed is available to the public for yard care tools to borrow!

The season is quickly changing and winter will be here before we know it! On October 15th the resource centre will begin to put out winter gear for adults & children.

We are still accepting donations and they can be dropped off Monday-Friday between 8:00AM-4:00PM.

How we can help:

At the Southeast Calgary Community Resource Centre we can help you with your job search, resume writing, & practice with interview skills. We also offer help with advocacy, assistance with applying to

government benefits, & referrals. On the second floor you will find a free computer lab with printing, faxing and other services available during our hours of operation. Please call to book an appointment with our Career & Community Connections specialists.

Services Available:

**Free Clothing Room
Open Monday-Friday
9:00-11:00am & 1:00-3:00pm**

Halloween is around the corner! Unfortunately, not everyone can celebrate Halloween the way we like it (with tons of awesome costumes). Every year we accept gently-used Halloween costumes, to donate to the kids in our neighbourhoods

A fun and dynamic workout from your chair! \$20 per month

Computer Workshop – Wednesdays 1 – 2 PM

Have a computer problem or question? Neil is here to help.

Move & Mingle – Tuesdays & Thursdays starting October 25

A free 45-minute group exercise program to reduce your risk of falling. Focuses on balance, posture, core stability and lower body strength. Phone 403-955-1554 for more information.

Seeking youth volunteers to serve at Thanksgiving meal, please contact Zoë at 403-279-2003 Ext. 202

The Housekeeping Program continues working and helping seniors. This is a convenient service to help low-income seniors to keep their home clean and safe. Services can be provided even if you do not qualify for the Government Program. If you do not qualify, you get the services for a setup rate. To apply or for more info please contact Erika Rodriguez, Supervisor. (587) 839-6405. Call or text.

SILVER SHADES PODCAST, Ogden House continues with the podcast available to all of you. You can find the podcast on the website silvershades.ca; Spotify, Overcast, Apple podcast, Pocket cast and Google podcast. On this podcast, we will discuss topics of importance to seniors and the community in general. We will also share stories and connect with seniors in the city. For suggestions for what to cover in the podcast or comments, please refer to the feedback form on the website.

LYNNWOOD OGDEN COMMUNITY GARDEN

GROWING A VIBRANT COMMUNITY, ONE PLANT AT A TIME

The weekend of August 20th saw the grand opening of the Lynnwood Ogden Community Garden (LOCG). Community members and garden members met at LOCG between 1 o'clock and 3 o'clock and showed off the garden with barbecued hot dogs, door prizes and a lot of garden talk. There was even a dog fun zone with pools and dog ice cream for purchase from Boops and Scoops and a face painting station provided by one of our community members.

LOCG began as an idea of a place where residents of Lynnwood and Ogden could gather and share a passion for gardening.

The development of LOCG began with an application to The City of Calgary in January of 2021 and took a year and a half until garden members began to harvest their first crops. The application for the garden was approved in November of 2021 but it was early April of this year before the sign was placed and there was a physical presence of the garden at the site.

Once the sign was up, things began to move quickly. Dirt was delivered, permanent water lines were installed by the City and the garden beds and perennial beds were built on the weekend of May 14th - 15th. Members began to plant their beds as soon as the beds were built and permanent water taps were installed by Heritage West Plumbing and Heating the following week. The fence was completed by the weekend of May 22nd with the assistance of Leno's Renos.

The first week of June kicked off with the perennial beds being planted. Throughout June and July, members tended to their gardens and to their neighbours' gardens when they were away. The arbour was completed the first week of August which brings us to our official grand opening on August 20th 2022. The gardens are producing fresh food for our members and 15 pounds of vegetables have already been shared with Victory Outreach.

LOCG has become what it set out to be - a green oasis in the community. It is rare to pass by the garden and not see one or more of the garden members watering, socializing, and growing a strong and vibrant community

We would like to take this opportunity to thank the Millican Ogden Community Association (MOCA) and the following donors:

Halloween Facts

Candy corn was originally called "Chicken Feed".

Halloween originated from an ancient Celtic festival called, "Samhain" where people would light bonfires and wear costumes to scare away evil spirits

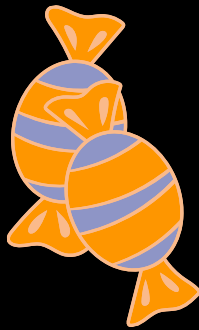

A pumpkin is technically a fruit, not a vegetable

Trick-or-treating was inspired by the medieval English tradition known as "souling" where children would go door-to-door and offer prayers for residents' loved ones who have passed away

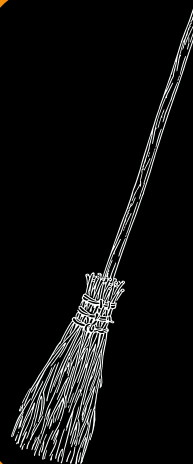

Prior to the 1950's, trick-or-treaters received cake, fruit, nuts, coins, and toys instead of candy

"Monster Mash" was briefly banned in the U.K because it was "too morbid". It was banned from 1962 to 1973

The word "witch" comes from the Old English word "wicce", which means "wise woman"

A MESSAGE FROM OUR MLA, TANYA FIR

Dear Neighbours,

Following strong economic momentum and solid results in the first quarter of 2022-23, Alberta's government is moving forward with plans to lower the debt burden and increase savings now and for the future. We also intend to invest an historic \$1.7 billion into the Alberta Heritage Savings Trust Fund, and keep the \$1.2 billion earned last year in the fund rather than transfer it to government's General Revenue Fund, for a total of \$2.9 billion. Sound fiscal management helped to get us here, and this principle will continue to direct our decision-making for investing and spending wisely to keep Alberta on stable economic ground. With a balanced budget, a \$13.2 billion surplus, and the fastest growing economy in the country, Alberta is strong and continues to build for the future.

Additionally, we are resuming indexation of the personal income tax system to match inflation, beginning for the 2022 tax year, to keep more money in Albertans' pockets. This fulfills our promise to resume indexation of the personal income tax system once our economic and fiscal recovery was stable. Albertans pay the lowest overall taxes among provinces, with low personal income taxes and no provincial sales tax, payroll tax or health premium.

We are also providing up to an additional \$50 million in 2022-23 to cover recently ratified bargaining agreements with our dedicated teachers. By funding these agreements, Alberta's government is further ensuring stability for school authorities.

Kids across Alberta recently went back to school, and I am always reminded of the excellent tradition of school choice we have in Alberta. School choice is integral to the Alberta Advantage and something our government will always work to protect.

Happy Thanksgiving!

Tanya Fir
MLA Calgary-Peigan,
Associate Minister of Red Tape Reduction

old friend

Millican Ogden History

*Snippets From a Senior - Part 1*

This month, we have an article written by the grandson of George Moss, after whom George Moss Park is named. George and his wife, Edith, settled in Ogden in 1913 when he obtained a job as a machinist at the C.P.R. Ogden Shops. George was a member of St. Augustine's Church, was the secretary of the Ogden Community Association for 32 years, and was a Charter Member of the Ogden Legion. The park is named after him for his dedicated service to his community.

Hello MOCA readers! Let me introduce myself, I'm Keith Moss, the grandson of George Moss for whom your park is named. Since my birthday in 1941 until I married and moved away in 1963, I always called Ogden my home. I was contacted by Bonny Warbeck, a member of the Millican Ogden Heritage Group. She thought readers of the MOCA newsletter might be interested to know what life was like in Ogden and surrounding environs back in the 1940's and 50's. I hope you will find it as fascinating as Bonny thinks you will.

As you can see from my birth date, I am now in my early 80's so I hope you will give me a little leeway if some facts are a little shaky. I hope to paint a true picture of what Ogden was like while I was growing up.

On May 10, 1941, I was welcomed into the Ogden Community by Dad and Mom, Arthur Leslie (Les) Moss and Olive Moss (nee Chivers). My sister Arlene was born in 1938 and the four of us lived in a comfortable 900+ square foot home that my Dad and Mom built themselves (with lots of relatives helping), in the late 1930's. Our home was located at 7441-22Street S.E. Dad worked at the CPR Ogden Shops as a patternmaker and Mom was kept busy at home with my sister and I.

My Dad was an expert carpenter who loved his craft. He began building our home by digging the basement by hand! My Mom told me that each night after work he would take between 6 and 8 wheel barrow loads of dirt and gravel from the basement and wheel each load south of 76th Avenue on 22nd Street about 3 or 4 blocks to a poorly drained area, dump the load and return home for another. To the south of us there was an empty lot and then 76th Street. When we stepped out our back door and looked to the south you could see nothing but prairie. In the spring you could hear the meadowlarks singing in the distance. Mom used to let my sister and I cross 76th Avenue and go on to the open prairie. We picked crocus and buffalo beans for her in the spring.

In the mid forties the City had provided us with few amenities. There was one street light at the end of each block, most roads were just gravel, and there were no cement sidewalks.

Being on a lake bottom, most of Ogden had deep rich black soil and the soil in our yard was no exception. Dad and Mom had the entire back yard in garden. Dad dug the entire garden by hand but before the digging started in the spring, we had to await the arrival of Ted Fesey. Ted was a bachelor farmer who lived with his mother near the Bow River by what we called the crooked tree. It was a tree that had been struck by lightning. Fesey's farm and the crooked tree would be where Riverbend is now located. Mr. Fesey sold manure. For four dollars he would deliver a half ton truck load of manure. The only problem was he would come down the back alley and fork it over the fence. It was up to Dad (and later me and my Dad) to distribute this over our garden and get it turned under before any of the neighbours succumbed to the odor!

(Keith Moss' remembrances will be continued as installments in the next few issues of the MOCA newsletter.)

CONGRATULATIONS COLLEEN FOR BEING AWARDED THE 2021 REALTOR® OF THE YEAR – T.W.H. (BILL) SAUNDERS MEMORIAL AWARD!

This accolade is the most prestigious award a CREB® (Calgary Real Estate Board) member can receive and recognizes REALTORS® who exemplify high standards of professionalism, integrity, and outstanding dedication to the community.

"I am so honoured," said Colleen, after she was announced as the award recipient in June 2022. "To be recognized in this way is probably the highest honour I could ever be granted."
