AUGUST 2023 VICE PRESIDENT MESSAGE

Though the 2023 Calgary Stampede wrapped up with the second largest attendance in the Stampede's history regardless of the rainy weather, intense heat, and wildfire smoke, for many Calgary residents (including residents in our community) they experienced hail. In viewing photos on the People of Ogden Facebook page, I gather some residents were hit harder than others and recognize that as insurance claims come with a deductible, this will have created an additional unexpected financial burden to homeowners. Here's hoping that the month of August will be a most generous month.

Featured on the People of Ogden FB Page:

MOCA President, John McDonald, captured the photo of the Canadian Pacific Kansas City #2816 train as he quickly rushed out of his home upon hearing the train whistle - Great photo. CPKC has announced the train will be running "this summer" from Canada to Mexico to celebrate the recently completed merger of CP and Kansas City Southern.

Ogden-Lynnwood Parade of Garage Sales: In previous years, Colleen Whelan of Maxwell Real Estate Team and a community resident organized the Parade of Garage Sales for our community. As she was unable to do so this year, Marnie Common, community resident, small business owner, and part of the People of OGDEN FB admin team, took on the initiative of planning this year's Parade of Garage Sales. The event took place on Saturday, July 29, 2023. Interested participants were invited to register online on the **People of Ogden Facebook page**, and Marnie also placed flyers in a few local businesses. The following local businesses then reached out to enlist their support: **Alpha Comics** (two \$20 gift cards), **Canco #168 Ogden** with poster display (two \$25 gift cards), **Follow Your Heart Life Coaching** (three 1hr coaching session gift certificates), **Freshco** (parking lot map pick-up and water station), **Global Liquor Store** with poster display (& advertising monies), **Hungers Stop** (two \$25 gift cards & map pick up), **Straight Outta Ogden Apparel** (3 draws for Ogden Apparel), and **Uncommon Florals & Designs** (organizer, advertising, material, and time, along with two \$50 gift certificates for handmade florals). Thank you to Marnie, her team, and to all of the participating community businesses for your role in organizing this incredible community event.

MOCA AGM: Another reminder to consider joining the MOCA Board. Millican, Ogden, and Lynnwood are such incredible communities to live in. The Board of Directors do their best to serve its members, however "the many hands makes light work" is not our current reality. We are especially in need of members with Financial, Infrastructure, Human Resource, and Events Planning experience. Elections will be held at the October 17, 2023 AGM meeting.

Nominees require a MOCA membership purchased 30 days prior to the AGM. Online Membership can be found at <https://www.millicanogdencommunity.com/index.php/about/memberships/>

Jack Setters Arena: With ball hockey league ending at the end of July, the Facilities staff are now busy tending to various maintenance tasks to ensure that the arena is ready for the 2023-2024 ice season. Ice will go in on August 25th and the first group to begin their 2023-24 ice season will begin as early as September 6th. Jack Setters Arena, built in 1972, is a community staple catering to hockey, ringette, figure skating, drop in programming, and private ice rentals.

SE CCRC Update: www.secalgarycrc.ca

- The SE CCRC will be closed August 14 - 18, 2023 to allow for staff vacation time.
- **Women's Home/Small Business Fair:** Early-October at the MOCA Upper Hall. It will be an opportunity for home/small businesses to network and sell their products.
- **Women Entrepreneur Event:** September 9th, 2023. Day of learning, connection, inspiration, networking and sharing. Sponsored by the Scotia Bank. Register by calling (403) 720-2032.

George Moss Park Redevelopment: Great work is being done by the Parks Foundation along with the YCC Youths Centres of Calgary on the redevelopment project in George Moss Park. See [page 10](#) for a detailed update of the George Moss Park Redevelopment project.

Traffic Calming Curbs: Calgary artist Mike Hooves has been busy painting the yellow traffic calming curbs along 18 St & 66 Ave SE. This is a Millican Ogden Community Association initiative, supported by the City of Calgary, and the Federation of Calgary Communities.

78th Avenue SE Green Line Embankment Tunnel **Construction started the week of July 26th:**

The embankment is being built to facilitate the construction of the vehicle tunnel at 78 Avenue SE. Once the tunnel at 78 Avenue SE is complete and open to traffic, the vehicle crossing at 69 Avenue SE will be permanently closed. Calgary-based company, **Graham Construction**, has been selected to build this project. Visit [Ward 9 Community Updates](#) for more information or if you have any questions, please call 311 or email the project team at greenline@calgary.ca

Upcoming Dates:

- **September 5, 2023:** MOCA General Meeting - MOCA Upper Hall at 7 pm (note: there are no General Meetings in July & August)
- **September 29 & 30, 2023:** MOCA LEGO Contest (more information on page 5)
- **October 17, 2023:** MOCA Annual General Meeting (AGM) - MOCA Upper Hall at 7 pm (note: there are no General Meetings October due to the AGM)

Have a most wonderful month of August.

Message from the Executive Director

Summer is here! Get out and enjoy the weather! Stampede has come and gone. Our Stampede Breakfast was a big hit! Sign up for Kim's wonderful dishes in August. She will be cooking up a storm! Please join us if you are a member or are interested in our centre. Have a wonderful summer!

Renata Michalski

Update from the Lynnwood Ogden Community Garden

It's always amazing how time flies past in the summer, we're nearing the final stretch of good growing days and produce is starting to come out of the gardens. While this season hasn't been the easiest for gardening, owing to a dry spring, wet summer, and the occasional catastrophic hail storm; it hasn't broken the spirit of Calgary's gardeners who are at home with adversity. In the community garden, we continued with our plans and finished the construction of additional raised beds and a shed - both of which were made possible through generous donations from the Lions Club and the Calgary Foundation. The perennial border which was planted last year has started to come into its own with the haskap and Saskatoon bushes putting on a solid display of growth.

As fall approaches, here are some things to keep in mind for your gardens whether on your property or at the community garden:

Harvest produce as it ripens. Towards the end of the year there is a trickle followed by a flood as all the produce begins to quickly ripen. It's important to harvest regularly to prevent spoilage, and give thought to how you want to use your harvest. Will you be eating it fresh, freezing it, or preserving it?

Replant empty spaces with fast maturing vegetables.

As space in your garden opens up, you might have the opportunity to plant a second crop which matures quickly and can be harvested before the first frost. Radishes and salad greens are typical choices, although be careful to cover them and water them frequently since they prefer cooler conditions.

Plan your fall plantings. While it's early to start any fall crops like onions or garlic, it isn't too early to start planning which varieties you want to plant and where you'd like to put them in your garden.

Amend your gardens soil. Once the garden begins to empty out, it's a good time to consider if you want to add compost or other soil amendments to improve the health of the ground. There are a lot of options so do some research and see what fits with the needs of your garden.

Wishing you a good harvest this year, and hopefully a long warm fall.

RIGHT CALL **RIGHT RESPONSE**

A safe community means feeling comfortable wherever you are at all times of day. We all deserve to feel safe, no matter where we live, work, learn or play. The list below helps you connect to local teams that can help you when you are presented with situations that could make you feel unsafe.

9-1-1	Emergency	Immediate threat to health and/or safety (e.g., fire, medical emergency, crime in progress, accident that caused injuries, life threatening situations, etc.)
211 or text INFO to 211	Distress Centre	Non-emergency situations that involve mental health, addiction, connection to food & basic needs, or community and social resources
311	Bylaw, City info	Call, download the app, or visit Calgary.ca/311 for City information
403.998.7388	HELP Team (formerly DOAP)	Unhoused individuals in a vulnerable state (poor mental health moment, using drugs in public space, stumbling into traffic), in need of transportation
403.262.1000 or text 74100	Transit Watch	To report immediate safety and security issues (e.g., disorder, infrastructure issues, broken glass, harassment, etc.)
403.266.1234	Police non-emergency	For non-emergency police response such as non-injury accidents, missing persons, stolen vehicles/license plates, etc.

George Moss Park Redevelopment Update

various community interest groups. The current design still features one full-size basketball court, two half courts with games lines, a tot lot playground addition to accommodate younger age groups and plenty of seating and picnic tables for community residences and kids to enjoy. The revised design improves the integration of the park's existing amenities by also tying in the existing community rink area and the existing playground to the west with a linear pathway connection.

Thanks to the support of various donors and grantors, including the Alberta Government, the City of Calgary/Green Line, the Calgary Foundation, and several other donors, project fundraising efforts have allowed us to make this proposed design possible. The project has since undergone a review by the City and the project has been tendered and awarded for construction with anticipated plans to start construction next month. We are currently in the process of seeking an artist to install murals across the sport courts to create a beautiful and vibrant artistic space that everyone in the community can enjoy. Opportunities for permanent traffic calming measures along 74 Ave SE

are still being explored with the City and we hope that there will be an opportunity to implemented this in a future phase. An enhanced temporary crosswalk painting at the intersection is still being proposed to create enhanced visual cues for traffic and pedestrian crossing. Construction would be expected to occur over the summer and continue into early fall, weather permitting. Construction is anticipated to be complete in spring of 2024, when we also hope to be able to celebrate the opening of the space with the community.

If you want to get a closer look at this blueprint, visit their website at www.parksfdn.com/georgemoss

Summer is in full force and it's the perfect time for Calgarians to enjoy the outdoors through visiting the many parks in the city. The **Parks Wayfinder Map** shows amenities owned by Calgary Parks. You can search for the nearest washroom, drinking fountain, waste/recycling disposal, firepit, picnic table, off leash area, sports field, park vendor, and other amenities available in City parks. Visit the Parks Wayfinder Map at <https://maps.calgary.ca/ParksWayfinder/>. To view more City of Calgary maps, please visit the Map Gallery at <https://mapgallery.calgary.ca>.

When it Roars, Stay Indoors

Calgary

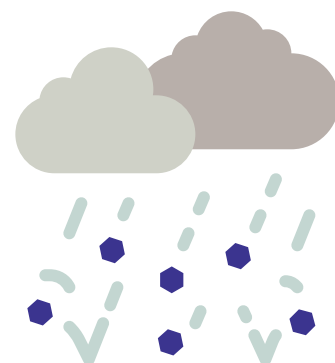

Summer is a beautiful time of year to spend outside under the warm sun, but it's also Calgary's most active storm season. While storms can be mesmerizing and exciting, they can also be dangerous.

Calgary is prone to intense and sometimes dangerous summer storms. Keep yourself, your family and your property safe during a summer storm by signing up for emergency alerts and making an emergency plan suited for your family.

In addition, thunder, lightning, rain, and wind, summer storms often bring hail which can damage houses and cars and cause injuries. Protect your home and property by parking under shelter, secure items that might blow away, and removing weak branches and trees.

Public weather alerts for Alberta and Alberta Emergency Alerts let the public know when a strong storm is coming. A "severe weather watch" means the conditions favour a specific type of hazardous weather, and a "severe weather warning" means that the weather event will happen in the next 30 minutes.

During a storm, the best place to be is in an **enclosed building or hard-topped vehicle**. Stay away from **high ground, isolated trees or telephone poles, picnic shelters, and open spaces** to avoid being hit by lightning. Keep yourself and your pets inside until the storm has passed.

Learn more about disaster risk in Calgary and how you can prepare by visiting calgary.ca/getready.
